#### **Notice of Requirement for DUNS Number Registration**

In accordance with 2CFR Part 200.213 "Suspension and Debarment", all vendors, contractors and subcontractors submitting proposals on federal FEMA and HUD funded projects will be required to register for a Data Universal Numbering System (DUNS) number in order to be eligible for a contract award. These regulations restrict awards, sub-awards and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participating in federal assistance programs or activities. In order to comply with this requirement, each consultant, prime contractor and sub-contractor must register in the System of Award Management (SAM) at <http://www.sam.gov> and register for a DUNS number at <http://www.dnb.com/duns-number.html>.

Be advised that firms doing work for the government or bidding on government contracts or proposals will need to get a D-U-N-S Number for each physical location of their business. Firms can get a D-U-N-S Number expedited for free if they are required to register with the federal government for a government funded contract and the firm may have the D-U-N-S number expedited at no cost.

Successful bidders will be required to submit to the Division of Property Management and Construction (DPMC) their DUNS number immediately after the bid due date and prior to contract award.
